

Town of Randolph

Minutes of Public Hearing and Meeting

August 4, 2016

Members Present: John Scarinza (Chairman), Bob Ross, Roberta Arbree and John Turner

Members Excused: Arlene Eisenburg

Call to order: The chairman opened the meeting at 7:05. Roberta moved that the minutes of the July meeting be approved as written. Bob seconded the motion and it was adopted.

The board generally discussed the status of the sign at the Jefferson Notch View Motel. John reported that it was his understanding that the owner of the motel had filed a request for a variance from the sign ordinance in regards to the size of the sign which had been painted on the side of a tractor trailer box located on the west side of the building. The board discussed attending the ZBA meeting to emphasize the boards position that the sign ordinance, which is part of the Land Use Ordinance, has been voted upon by the residents of town and should be honored.

There being no other business to conduct, the meeting was closed by general consent.

Respectfully submitted,

John K Scarinza
Chairman
