Randolph Planning Board Minutes

September 7, 2017

Present: John Scarinza, Roberta Arbree. Arlene Eisenberg

There was a discussion regarding Conservation easements on trails acquired by the town. The Randolph Community Forest could manage and maintain them These could be noted as a change in the land use regulations. No current decisions were made.
A hearing in the future should be scheduled concerning Town Forest cuts.
It was agreed that the next meeting would be on Oct. 12.
