DISCUSSION ITEMS AND MOTIONS:

The first meeting of the GRS withdrawal feasibility study NH RSA 195:25 was held on May 17, 2017. Members from all three towns were present; the committee acknowledges allowing Dennis Tupick to be part of the committee and to move forward on the study. The next meeting will be held June 14th. John Turner requested a count of how many students are attending the GRS Coop from Randolph, how many are graduating and how many will be attending kindergarten in the fall.

We received an email from NH DRA property division inquiring if the town has adopted RSA 72:76 a new construction property tax exemption for commercial or industrial uses or both. Linda will respond; the town has not adopted RSA 72:76.

A letter from Brad W. Simpkins, Director NH DRED acknowledged the reappointment of Jeffrey Parker as the Town of Randolph Forest Fire Warden, for a term ending December 31, 2017. The letter also acknowledged the towns Deputy Wardens as William Arnold, Dana Horne, Auvern Kenison, Gordon Lowe and Mark Santos.

Fire Permits are issued through Jeffrey Parker and Alan (Gordon) Lowe.

NH DES has informed the town, the town is required to test for PFAS (Per- and polyfluoroalkyl substances) also referred to as Per fluorinated chemicals (PFCs) to be included in future groundwater sampling at testing sites. The town will need to include this additional test in our groundwater testing of the town's old landfill.

Building Permit 06-17 was issued to Maurice Champoux of Raycrest Drive for minor repairs.

The board reviewed and approved a current use application for Martin Johnson for property located on Durand Road.

John Turner moved to adjourn at 7:45 PM. All agreed.
