DISCUSSION ITEMS AND MOTIONS:

David Willcox, Town Moderator and Kevin Rousseau, Road Agent met with the Select board to review the upcoming Nor'easter projected to arrive March 13, 2018 and how this will effect Town Elections and Town Meeting. Taking everything into account, it was determined that the snow totals would be higher in the evening hours and should have no effect on the Town Elections. If the projected snowfall totals change the Moderator would determine whether to cancel Town Meeting by 2PM on March 13<sup>th</sup>.

Michele Cormier reviewed a list of issues to be reported in the Mountain View.

Linda Dupont announced that the town has received two abatement requests from property owners in town and one abatement request from a utility. The requests have been forwarded to the towns contracted assessor for recommendations.

PA-28 forms have been mailed out to all property owners in town and are due by April 15<sup>th</sup>. In lieu of the 2019 revaluation of the properties in town, the properties in current use have been reviewed. Six property condition assessments have been sent out and three requests for updates to managed properties. Michele Cormier inquired to the non-taxable properties in town. These are due by April 15, 2018 to the town.

Michele Cormier motioned to adjourn at 7:35 PM. All agreed.
