DISCUSSION ITEMS AND MOTIONS:

Bill Arnold appeared before the board with a building permit for a garage. The board reviewed and approved the permit.

Also, a driveway permit on behalf of Frank and Mary Yans was presented. Because this driveway request was previously brought before the Randolph Board of Appeals for a variance, the board tabled making a decision at this time, requesting Mary & Frank Yans note the stipulations imposed by the Board of Appeals in the permit application. Linda Dupont will notify Mary & Frank Yans and request this information be added to the permit.

Kevin Rousseau updated the board on the yearly maintenance of the roads. He was pleased to announce the Randolph Hill Road cracks sealing was completed on Saturday. All dirt roads in town have been graded.

Michele Cormier has spoken to several residents in town who may be interested in representing the Town of Randolph with AVRDD.

Michele Cormier reviewed building maintenance that could be considered for future projects including the exterior of the Cross Meeting Room and the Old Library.

Michele Cormier motioned to adjourn at 8 PM. All agreed.
