**DISCUSSION ITEMS AND MOTIONS:**

The Wenk’s have come to a selectman asking if they could purchase a granite memorial bench to be placed at the Ravine House Pool area. The board agreed to the request from the Wenk’s with one concern as to the placement. Benches placed around the pool area would be nice, but not to encumber the care of the grounds.

Lauren Bradley noted the amount of people swimming in the Durand Lake area and suggested the possibility of having a onetime testing of the water. Linda Dupont will contact the NH-DES testing facility to have this done.

Kevin Rousseau noted that beach goers are placing lawn chairs and blankets across the Ravine House Dam area and expressed his safety concerns. Lauren stated that NNEFS will be installing a rope fence across the dam this summer. Kevin also made the board aware that the poop stations are working well and residents are refraining from dumping trash.

The emergency generator is in place at the Municipal Building and the testing of the generator went well. The Caterpillar Technician will be doing additional tests in the upcoming weeks.

As a reminder, Durand Road will be closed beginning Tuesday, July 10, through Wednesday, July 18<sup>th</sup> for the culvert replacement on the East End of Durand Road.

The board reviewed and approved a building permit for David and Gaye Ruble for an Equipment Shed. Building Permit 12-18 was issued.

The board also agreed on an estimate from Bowman Builders to extend the roof over the handicap ramp entrance to the Cross Meeting Room. John Turner motioned to accept the bid of \$ 4807.00. Lauren Bradley seconded. All agreed.

Bowman Builders also presented an estimate to build new voting booths for the Cross Meeting Room. John Turner motioned to except the bid of 3905.75. Lauren Bradley seconded. All Agreed.

Michele Cormier motioned to adjourn at 8 PM. All agreed.
